

Northeast Sustainable Agriculture Research and Education (NSARE)

Free Information Session

This virtual workshop will provide an overview of NSARE, a USDA funded program. NSARE provides fact sheets, publications and other resource materials on a wide variety of agricultural topics. NSARE also has available for application a number of grant opportunities.

Jeremy Whipple will be the moderator and presenter for this program. Jeremy is the Farm Manager of Meechook Farm and Founding Director of the Mashantucket Pequot Department of Agriculture.
